NOTICE TO SHAREHOLDERS

Luxembourg, 11 January 2024

Dear Shareholders,

The board of directors (the "Board") of Danske Invest SICAV-SIF (the "Company") would like to inform you that the following changes will be made as regards the Company:

1. Change of services providers:

Danske Invest Management A/S, as the alternative investment fund manager of the Company ("DIMA"), after having conducted thorough due diligence and market investigations, has proposed to replace, as from 16 February 2024 (the "Effective Date"), the following services providers of the Company (the "Migration"):

- (1) CACEIS Investor Services Bank S.A. ("CACEIS") will be replaced by J.P. Morgan SE - Luxembourg branch ("JPM") as the Depositary and Custodian (as defined in the current prospectus of the Company); and
- (2) CACEIS will be replaced by JPM as Administrative Agent, Registrar and Transfer Agent (as defined in the current prospectus of the Company).

The appointment of JPM has been assessed to be in the interest of the Company's shareholders by bringing the operational framework provided by DIMA to the funds even further towards a solid, efficient and market standard solution, supporting the funds to continue providing a broad and relevant product range in the future. The Migration will further bring the funds into a harmonized framework across Danske Invest domiciles and target markets.

The Migration will have no impact on the portfolio management of the Company's assets as its alternative investment fund manager, namely DIMA, will remain unchanged.

The Migration will not trigger a change of the total / aggregated fees supported by the Company. The fees will remain unchanged as those currently disclosed in the last visa-stamped prospectus of the Company dated August 2023 (the "Prospectus"), which is available upon request at the current registered office of the Company.

Moreover, and to further ensure a smooth Migration, the investment manager will not trade assets held in custody of the Company (except in cases of urgency, DIMA will assess whether the risk of not trading outweighs the risk of ensuring a smooth Migration) from 14 February 2024, to 16 February 2024 (three trade dates). This temporarily trading suspension applies to all funds, except for DANSKE INVEST SICAV-SIF FIXED INCOME GLOBAL VALUE, which will also have a freeze period of three trade dates, but spanning from 15 February 2024 to 19 February 2024.

Appointment of a Prime Broker:

The Board has further decided to appoint J.P. Morgan Securities LLC (“JPM LLC”) as Prime Broker to provide certain fixed income clearing and settlement services for the fund Fixed Income Global Value. This service will enable the investment manager to enhance the execution of the fund’s investment strategies and at the same time reducing the related settlement risks.

A Chapter 16.5 “Prime Broker” has therefore been added to the Prospectus.

This chapter has been added to emphasize that in the context of the prime brokerage agreement with JPM LLC, the Depositary discharges itself of liability to the fund and/or its Shareholders in case of loss of financial instruments held in custody by JPM LLC.

The Depositary’s liability with respect to custody of these financial instruments held by JPM LLC has, as set out in the Delegation Agreement, been transferred to JPM LLC in accordance with article 19.(13) or 19.(14) of the AIFM Law and the AIFM Regulation.

The remuneration of the prime broker’s custodial charges is paid out of the Operating and Administrative Expenses paid by the SICAV to DIMA, whereas transactional costs and funding charges relating to the dealing activity with the Prime Broker is paid by the fund. This is further described under section 13. “Charges and Expenses” of the Prospectus.
